COIN -- TRAYS

For the exhibit and care of coins. These trays are manufactured in uniform size of 8" x 6" x $\frac{1}{8}$ " outside dimensions. Can never warp out of shape and will never discolor the finest proof-coins placed thereon.

First column below gives number of tray; Second column gives diameter of coin in inches and parts of inches; Third column gives diameter of coin in inches and decimals of an inch; Fourth column gives diameter of coin in metric system or m-m, and Fifth column gives number of coins a tray will hold for size specified. Order your choice of trays by number in first column.
